B. Medical, Dental and Vision Insurance

For employees with a start date on or before June 30, 2011, the Board shall pay eighty- seven percent (87%) of the premium cost of a group medical plan including prescription drugs for the employee and covered eligible dependents(s).

For each full-time equivalent employee enrolled under the 84-85 Dental Program (Current Dental Plan only), the Board shall pay ninety percent (90%) of the premium cost for individual dental coverage only. The employee may elect to purchase dental coverage for eligible dependent(s).

For employees with a start date on or after July 1, 2011, the Board shall pay eighty-five percent (85%) of the premium cost of a group medical plan including prescription drugs for each employee and eligible dependent(s).

The Board will offer employees enrolled under the Variety of Insurance Program (VIP) vision and dental plan(s). Employees may elect to purchase vision and/or dental coverage for eligible

dependents.

The selection and removal of health, dental, and/or vision carriers and their respective plans is at the Board's discretion.

The Board will establish a committee, to include representation from all bargaining units, to provide **recommendations** on the HCPSS health benefits program. See Appendix A "Benefits Advisory Committee"

C. Variety of Insurance Program (VIP) Medical, Dental, and Vision Program

1. Employee Election of Variety of Insurance Programs (VIP)

- a. Each year during open enrollment as established by the Board, each employee will be required to make an election between participating in the VIP program or continuing his/her participation in the 1984-85 health insurance arrangement.
- b. This election will be irrevocable for the Plan Year.
- c. Once an employee elects to participate in the VIP Program, he/she will not be allowed to participate in the prior insurance arrangement.
- d. The 1984-85 insurance arrangement is as follows:
 - (1) Employees electing to remain in the 1984-85 medical coverage will be required to contribute 13% of the individual and dependent premiums.

Employees electing to participate in the 84-85 Dental Plan will be required to contribute 10% of the individual premium and 100% of the dependent premium.
 - (2) All employee contributions will remain on an after-tax basis.
 - (3) Cost containment measures.
- e. The usual and customary charges will be determined by the third party administrator twice a year by using the average charges for the service area where the services were performed.
- f.
 - (1) Food Service Nutrition Assistants hired on or after July 1, 2000 shall be required to serve a 30 calendar day waiting period beginning in FY08 before becoming eligible for any medical, dental, and/or vision coverage.
 - (2) Food Service Nutrition Assistants hired after July 1, 1997, may only select from two (2) medical insurance plans as identified by the Board.

2. Employee Selection of Optional Benefits under the VIP Program

- a. If an employee elects to participate or becomes eligible to participate in the VIP Program, he/she must select among the optional benefits offered as part of the VIP Program. These optional benefits include:
- (1) Medical Plan(s)
 - (2) Dental Plans(s)
 - (3) Vision Care Plan(s)
 - (4) Flexible Spending Accounts, including:
 - a. Dependent Care Account
 - b. Health Care Spending Account
 - (5) Benefit Dollars (pro-rated for part-time employees).

Information on health, dental, and/or vision plans will be made available to eligible employees during the Open Enrollment Period.

- b. The selection of optional benefits is an irrevocable election for the entire Plan Year except the election may be revoked and a new selection of benefits made if the employee has a change in family status (e.g., marriage, divorce, death of spouse or same-sex domestic partner, or child, birth or adoption of child, or termination of employment of spouse or same-sex domestic partner). This applies not only to participation in the insured programs, but also to the level of participation in the Dependent Care Account and the Health Care Spending Account.
- c. Each open enrollment period as established by the Board, employees electing or eligible to participate in the VIP Program will be given the opportunity to change the benefits they have selected. Each year employees will be informed of any changes in the VIP Program. This will give each employee the chance to review and compare various benefit alternatives in order to make the proper selection during the open enrollment period.
- d. Each Medical Plan alternative (~~including electing no Medical Plan~~) will have a specified number of "benefit credits" associated with its selection. These benefit credits may be used to purchase any of the optional insured benefits (Vision and Dental Plans or employee contributions for medical coverage) or to contribute to the Dependent Care Account or Health Care Spending Account.
- e. Each insured benefit option (Medical, Vision, and Dental Plans) will have a "price tag" or cost to an employee if that particular benefit is selected. Benefit credits may be used to purchase or pay the price of each insured's benefit selected. Amounts contributed to the Dependent Care Account or Health Care Spending Account are optional with employees choosing to contribute any amount within the plan limits. Employees may, however, purchase benefits whose total price tags exceed their benefit credits. In this case, the employee must make up the difference through employee contributions. All contributions to the VIP Program will be on a pretax basis. This means that federal and state income taxes will not be withheld on employee contributions nor will these contributions be included in an employee's gross wages as reported on W-2 Form. FICA tax will not be withheld. Employee contributions will be included in the annual salary for retirement and life insurance

purposes.

- f. Participants in the Dependent Care Account must meet tax law requirements in order to participate in this plan. Contributions may only be used to reimburse an employee for expenses actually incurred during the Plan Year for which they were contributed. Any amounts remaining in the Dependent Assistance Account at the end of the Plan Year will be forfeited.
- g. The Health Care Spending Account will operate similar to the Dependent Care Account. The most important facts are that amounts contributed may only be used to reimburse expenses incurred during the Plan Year for which they were contributed, and amounts remaining at the end of the Plan Year will be forfeited.
- h. Employees may elect to receive their unused benefit dollars in cash, which will be added to their regular pay check. If the employee elects this option, the payments will be prorated on a per-pay basis. This amount is taxable.
- i. Total employee contributions to the Dependent Care Account and/or Health Care Spending Account will be prorated on a per-pay basis.
- j. Employees hired during the Plan Year will make their selection in advance of becoming eligible for VIP Program benefits. This election will be in effect for the remainder of the Plan Year (except for a qualified life status change creating a special enrollment period for individuals who did not enroll in a group health plan when they were first eligible due to the existence of alternative coverage).
- k. **Employees with at least 15 years of cumulative service with HCPSS, are retiring with the Maryland State Retirement Pension System, and are enrolled in one of the school system's medical, prescription, dental, and/or vision plans for at least one full year immediately prior to retirement date, are eligible for a Board contribution towards the cost of retiree coverage in accordance with the HCPSS Benefits Enrollment Guide for Retirees.**

ARTICLE 15

GENERAL PROVISIONS

- 15.1 Severability - If any provision of this Agreement or any application thereof related to wages, employee benefits, and/or working conditions is held to be contrary to law, such provision or application will not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications will continue in full force and effect. The parties may mutually agree to meet no later than fifteen (15) days after any such holding for the purpose of renegotiating provisions of this contract as agreed to by the parties.
- 15.2 Distribution of Agreement - The Board and Association agree to equally divide the costs of providing a copy of this Agreement to each employee in the bargaining unit.
- 15.3 The Board and HCEA/ESP agree that the terms and provisions herein contained constitute the entire Agreement between the parties and supersede all previous communications, representations or agreements, either verbal or written, between the parties hereto with respect to the subject matter herein. The Board and HCEA/ESP agree that all negotiable items have been discussed during the negotiations leading to this Agreement and therefore, agree that negotiations will not be reopened on any item, whether contained herein or not, during the life of this Agreement except by mutual consent.
- 15.4 “Same-sex domestic partner” as used throughout this Agreement means an individual approved by the Board to receive domestic partner benefits under criteria established by the Board. Domestic partner benefits and coverages cannot begin until same-sex domestic partner status is approved by the Board, and will be provided as permitted by law. The above language shall only apply to those employees who currently receive same sex domestic partner protection under the negotiated agreement as of January 1, 2015 and current employees residing outside of Maryland in states that do not recognize same sex marriage.
- 15.5. Joint Labor/Management Collaboration Committee
1. Purpose
The parties agree to actively support a Joint Labor Management Collaboration Committee which will be used as a forum for the discussion of issues that are not current matters of negotiation or grievance but are matters of mutual interest or concern between the parties. The intent of the Labor/Management Committee is to investigate, study, and discuss possible solutions to mutual problems affecting labor/management relations. The parties may also attempt to resolve differences of interpretation of negotiated matters. However, it is recognized that the Labor/Management Committee is not a substitute for the grievance procedure. Additionally, it is recognized that neither party will submit or otherwise seek modification of any negotiated term or condition of the agreement through the Labor/Management Committee and no bargaining will take place.
 2. Membership
Standing members of the Labor/Management Committee will include the president or designee of the Howard County Education Association Educational Support Professionals (ESP) unit and two other ESP representatives of the Association to be

determined by the president, and the Superintendent or designee and two other representatives of management determined by the Superintendent. At any meeting of the Labor/ Management Committee, either party may be represented by up to four additional members. Both parties may rotate these members in order to accommodate discussion of scheduled agenda items at meetings. The committee may elect to use outside impartial facilitation for some or all meetings.

3. Chairperson

The President of HCEA-ESP/designee or the Superintendent/designee can convene the Labor/Management Committee. Responsibility for chairing meetings shall alternate each meeting between HCEA-ESP and HCPSS. Each party will determine whether their chair assignment will be consistent or rotate among their members.

4. Minutes

The committee will assign responsibility for preparing minutes of the meeting. Drafts of the minutes of meetings will be submitted to each team leader by the preparer for approval and submission to the other committee members. Copies of the minutes will then be distributed to all members who were in attendance at the meetings.

5. Date, Time, and Agenda of Meetings

The committee will schedule regular meetings at least quarterly. Additional meetings may be called at the request of either party. Such additional meetings will be requested a minimum of two weeks in advance along with the proposed agenda items of the requesting party. The proposed agenda for all meetings shall normally be limited to one and one-half hours, shall include the topics along with a brief description, and will be submitted five days prior to the meeting to both parties. The individual designated to chair the meeting will be responsible for preparing and distributing the agenda. It is recognized that either party may initiate a topic not on the agenda provided the other party concurs that it is of an emergency nature or a current item that would be of benefit to be discussed as soon as possible.

6. General Guidelines

- a. As time permits, each topic will be discussed fully and recommendations made on the topic before proceeding to another topic.
- b. Topics requiring further study may be tabled and brought for further discussion at a future meeting.
- c. It is recognized that recommendations growing out of these meetings are not binding.
- d. No grievances shall be discussed and no bargaining shall take place. However, topics that could lead to grievances may be discussed.
- e. All Committee recommendations shall be reached by consensus. There shall never be a vote taken by the Committee.
- f. Where consensus is not reached, the topic shall be canceled, reverting to its proper place in the labor/management relationship – for instance, grievance procedure, negotiations, etc.
- g. Either party may initiate a request to the Federal Mediation and Conciliation Service for assistance.

ARTICLE 16
NEGOTIATION PROCEDURE

- 16.1 Both parties agree to negotiate in good faith as prescribed in Section 6-501, et seq., Education Article of the Annotated Code of Maryland. The parties agree to utilize the contents and format of the Agreement in effect as the basis for proposals for negotiation in the new Agreement. This is understood to mean that:
- A. Items in the existing Agreement which remain satisfactory to both parties would be continued as part of the new Agreement.
 - B. Items in the existing Agreement which are believed in need of change, deletion, or addition by either party may be the subject of new proposals for negotiation.
 - C. Items not included in the existing Agreement but believed desirable for consideration in the new Agreement by either party may be proposed as additions to the existing Agreement.
- 16.2 Every effort will be made to begin negotiations concerning a successor Agreement by November 2, but in no event shall such negotiations begin later than December 2 unless a later date is mutually acceptable to both parties. All issues proposed for negotiations shall be detailed in writing and submitted by the Association to the Board or its delegated representatives not later than December 2. The Board shall submit in writing to the Association representatives all additional issues upon which it wishes to negotiate not later than December 2. The December 2 deadline can be extended if a later date is mutually accepted by both parties.
- 16.3 The Association shall submit names of negotiating team members to the Board chief negotiator before the first negotiation session. Neither party shall have any control over selection of consultants or negotiation representatives of the other party.
- 16.4 Negotiating sessions shall be held as frequently as necessary, at a time other than the regular school day for students.
- 16.5 If agreement has not been reached, or at the request of either party, the provisions for handling an impasse as provided by Education Article, 6-510(e) of the Annotated Code of Maryland, shall apply.

ARTICLE 18
REPRESENTATION FEE

- A. An employee who chooses not to join the Association shall pay a representation fee as provided in this section.
1. Food service employees, student assistants, and employees earning an annual salary less than Step 1 on the paraeducators salary scale are not subject to the provisions of representation fee.
 2. The representation fee will take effect when 51% plus one (threshold percentage) of the unit members have joined the Association as dues-paying members.

The calculations for the threshold percentage will not include food service employees, student assistants, and those employees earning less than the amount indicated in sections 1-2.

3. If on June 15 of any fiscal year the Association attains the threshold percentage, it may institute a representation fee for the following fiscal year, in accordance with sections 5-8.
4. The Association shall send formal notice and documentation to the Director of Staff Relations. Within 10 days of receiving the Association's notice, the Director of Staff Relations shall in writing confirm or dispute the membership percentage. If the Director disputes the percentage, the Association and Director shall meet to review the data. The implementation date shall begin 30 days from the date of the Director's confirmation letter.
5. Any employee hired after the implementation date shall pay either Association Dues or a representation fee.
6. The Board shall begin payroll deductions for representation fees within two pay periods of receiving the employee's authorization for payroll deduction for representation fees from the Association.
7. Representation fees will be prorated if the implementation date or date of hire begins after the start of the school, for that year only.
8. Annually, the Association shall report to the Board the percentage of Association membership on June 15 of that year. The Board shall have the right to access Association and payroll records to verify the percentage.
9. The Association must maintain at least a 51% plus one membership percentage for the representation fee to continue from year to year. If the percentage of HCEA ESP membership falls below the threshold percentage in any year based on the June 15 figure, the Association will enter a one-year grace period. If at the end of the grace period, the percentage of HCEA ESP membership does not equal 51% plus one based on the June 15 figure, then the representation fee shall cease at the end of that fiscal year.

If in a future year the Association again reaches the threshold percentage as outlined in section 3, the representation fee shall be initiated for all new employees hired after the new implementation date, as set forth in section 4.

B. Calculation of the Representation Fee

1. Annually but no later than the first teacher work day, the Association will determine the percentage of its members' dues that represents the cost for "representation in negotiations and grievance matters" as required under Sections 6-504 and 6-509 of the Education Article of the Annotated Code of Maryland.
2. The Association will base this determination on a review of financial records and other documents describing the Association's activities and will be guided by the language of the Education Article of the Annotated Code of Maryland, the United State Supreme Court decisions in *Ellis v. BRAC* and *Abood v. Detroit Board of Education*, and other relevant federal and state court decisions.
3. The representation fee will not include the cost of political or ideological activities unrelated to collective bargaining, other activities not germane to collective bargaining, or benefits, or activities, available to or benefiting only Association members.
4. The Association shall submit to the Board an annual audit letter from the General Counsel to the Maryland State Education Association that reflects the operational expenses of the Association and explains how the representation fee is calculated based on the audit.

C. An employee whose religious beliefs are opposed to joining or financially supporting any collective bargaining organization is:

1. Not required to pay a representation fee; and
2. Required to pay an amount of money equal to the representation fee as determined under section B to a nonreligious, nonunion charity or to another charitable organization that is mutually agreed upon by the employee and the Association, and who furnishes to the Board and the Association written proof of the payment.

D. If an employee who is required to pay a representation fee is employed in a unit position on a part-time basis or for less than a full contract year, the representation fee for the employee for said contract year will be a pro rata portion of the annual fee, based on annual salary.

E. In the event an employee **resigns or is terminated**, the Board shall deduct, when possible, the unpaid representation fees for the current year from the employee's final check and transmit these fees promptly to the Association.

- F. If an employee who is required to pay a representation fee fails to do so, it is solely the responsibility of the Association to take appropriate steps - including the commencement of legal action against the employee - to collect the amount in question.
- G. Protest Procedure and Escrow Provisions
1. Any employee who is obligated to pay a representation fee as described herein, shall have the right to protest and dissent from the amount of the representation fee, including the method of the assessment of the fee; the manner in which the representation fee was determined; the calculations involved; and the financial information upon which the representation fee was based. Such protests shall be handled exclusively in the manner herein.
 - a. Within thirty (30) days after the cause or reason for any protest shall occur, the affected employee, for himself or herself shall file a written statement of protest with the Association and Board, in identical duplicate copies. A letter stating the employee's grounds for objection shall be sufficient. However, any objection not filed within thirty (30) days shall be deemed to have been waived as not timely filed. Any objection to the amount of computation of the fee in any school year must be filed within thirty (30) days after notice of that fee.
 - b. A dissenting employee timely filing his or her own written objection shall be entitled to have his or her protest expeditiously resolved by an impartial arbitrator. The impartial arbitrator shall be selected by the Association and the employee and the dispute resolved as follows:
 - 1) The employee shall file his or her protest in writing with the Association and the Board within thirty (30) days after receiving notice of the representation fee. The protesting employee shall state the basis for the protest. The written protest may be sent via certified mail, registered mail, or hand delivered to both the Association and the Board.
 - 2) The Association may answer the objections of all employees in a single written response, but such response shall be placed in either the interdepartmental mail or regular mail within thirty (30) days after the objections period that is referred to in section G1a of this Addendum has expired.
 - 3) If no resolution is reached, the Association will request the Federal Mediation and Conciliation Service to provide a list of seven (7) arbitrators who are each members of the National Academy of Arbitrators. The selection of the arbitrator will be made by alternate strikes from the list furnished by FMCS until one name remains who shall be the arbitrator to hear and determine the objections of all employees who file timely written protests. The employees shall have the right to exercise the first strike. However, if the objecting employees cannot agree on a single spokesperson to strike for an arbitrator, then the Association may request either the Director of the Federal Mediation and Conciliation Service or the Director of the Maryland State Mediation Service to assist in selecting an arbitrator, either by striking for an arbitrator or by choosing one name off of the list of seven provided by the FMCS.

- 4) The protesting employees and the Association shall each be solely responsible for their own attorney's fees and other representation costs and shall equally split all arbitration related costs.
 - 5) The arbitration shall consolidate the objections of all employees and shall issue one opinion to determine their claims. To the extent permitted by law, the decision of the arbitration shall be final and binding on all protesting employees and the Association.
 - 6) The arbitrator shall be limited in authority to rule upon the issue or issues stated in the written protest submitted by the protesting employee. The arbitration may refer to and rely on existing legal authority on agency or representation fees outside of the Addendum when ruling on the amount of the fee.
2. Written notice of protest by an employee shall not relieve him or her of the obligation to pay the representation fee. However, immediately upon receipt of the notice of protest, the Association shall place the amount of the protesting employee's representation fee that is in dispute in an escrow fund, and shall continue to place the challenged portion of representation fee in escrow until the protest is resolved. The Association shall be obligated only to so segregate the funds of protesting employees.
 3. The fund shall be maintained by the Association at an independent bank or trust company and the agreement therefore shall provide that the escrow account be interest bearing. The Association shall not invade the fund until the receipt of the opinion of the arbitrator, and then only in accordance with that decision.
 4. The Association shall furnish protesting employees with verification of the terms of the escrow arrangement and, on reasonable request, the status of the fund as reported by the bank.
 5. When issuing a decision and award, the arbitrator shall determine the disbursement of the disputed representation fee held in escrow and the Association shall not release the funds to its general account or to a protesting employee except by direction of an arbitrator or by mutual agreement of the Association and the protesting employees.
- H. The Association shall indemnify and save the Board harmless against any and all claims, demands, suits, or any other forms of liability that shall rise out of or by reason of action taken or not taken by the Board for the purposes of complying with any of the provisions of this Addendum, or in reliance of any list notice, or assignment furnished under any such provisions, including the representation fee language. The Association assumes full responsibility for all aspects of the administration of this section, including, without limitation, the calculation, assessment, collection, and disposition of funds.

**ARTICLE 19
DURATION**

Unless otherwise provided herein, the provisions of this Agreement shall be effective as of July 1, 2018 and shall continue in full force and effect through June 30, 2020. ***The parties agree to open Article 17, Salary, and one (1) article per side, excluding healthcare benefits, for the 2019-2020 school year.***
